

School Improvement Team Minutes

October 25, 2016

3:15-4:15

- Ms. Dobie has been named our interim principal.
- In an effort to boost staff morale, the SIT proposes that each grade level plan a social event outside of school. 4th grade will plan a “Mexican Night”, 5th grade will plan a “Wine and Paint Night”, 6th grade will plan a “Cooking Class”, EC/Specials will plan a “Cinema Night” and SIT will plan an end of the year celebration on the Spirit of Norfolk.
- A Nine Weeks Test schedule was released.
- The team discussed AR incentives that we could offer as a school to encourage more reading from our students.
- Looking at 2015-2016 data, Ms. Dobie has isolated a group of “teeter-totter” students who are just a few points from either a 3 or a 5. These students will be our target group for remediation and enrichment in order to promote student growth.
- Each grade level is working with different plans in order to have this enrichment/remediation time. We will present our finalized plans at the November 8th meeting.
- Our next meeting will be November 8th.
