- Rachel Foy, SIT Team Chair, welcomed back members
- The team reviewed the School Improvement Plan and specifically looked at strategies that have already been implemented including: tiered networks, grants, math adoptions, communication resources and safety measures.
- Mr. Griffin and Ms. Dobie introduced data showing our school growth from the 2014-2015 school year to the 2015-2016 school year. They have developed a data chart that will be distributed to each homeroom teacher, showing them vital testing data for each of their students.
- The team brainstormed ways in which this data could be utilized to help students grow and meet proficiency.
- The team will share these ideas and ask for remediation input from their team members.
- Mr. Griffin expressed the need for ideas on how to keep a high morale between teachers and staff this school year including: staff parties, and incentives.
- Ms. Dobie talked to the team about boosting student morale and progress through school wide incentives and celebrations.
